

Children around the World

Freebie!

Country Report

Created by **Jenni Holland**

@ kinderloveandlearning.com

Parents and Families,

Our class is about to take a tour of the world. We will be exploring the ways in which we are the same and different through culture and traditions, stories and books, language and food!

Please help us learn more, by completing and practicing this report with your child. Choose a country that has some connection to your family or one that your child is curious about.

Help your child to research and write the facts for the report. Keep it simple and make sure to practice, practice, and practice some more before you turn it in. Your child will be presenting to the entire class.

If you would like, please bring in a small, simple, store bought food from your country to share. We will share the treat after your child presents. You can also send in photos or artifacts relating to your country if you have them.

Reports are due on _____!

Adios, Chow, and auf Wiedersehen for Now,
Your Kindergarten Teacher

Children around the World

Paste a map or drawing
of your country here.

Written and illustrated by

Here is my country on a map of the world.

My country is _____.

Here is the flag of my country.

The children of my country like to eat

The children of my country celebrate

How do you say...

hello

friend

thank you

The children of my country speak

The children of my country like to play

An animal that lives in my country is the
