

Here is how I find my special place on the map.
First, I look at the map of the world and find
my country.

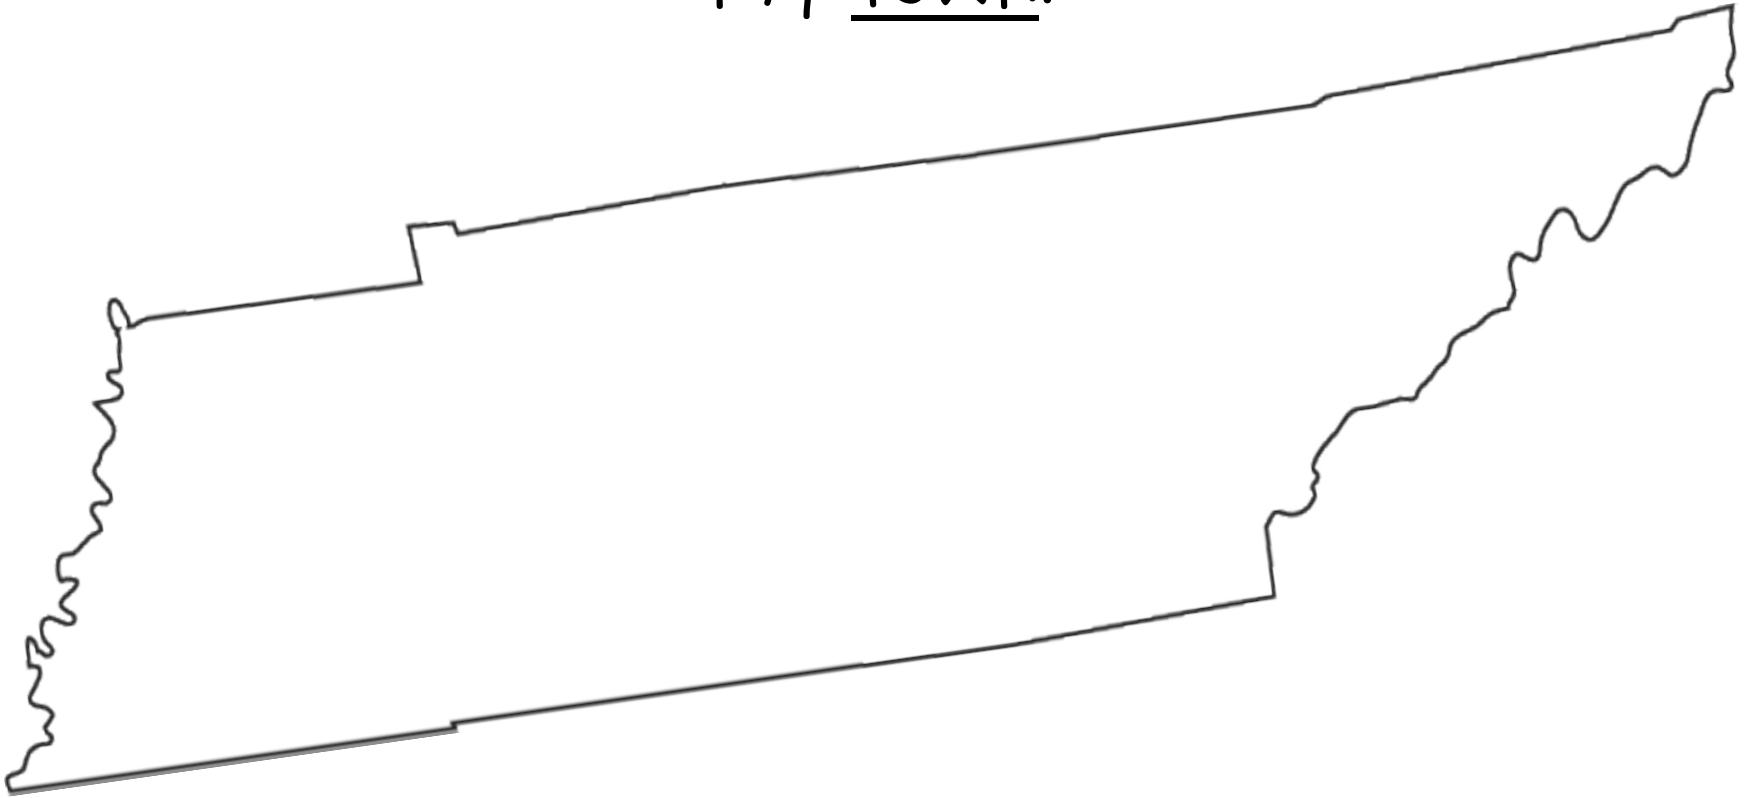

I live in _____.

Next, I look at the map of my country and find
my state.

I live in _____.

Then, I look at the map of my state and find
my town.

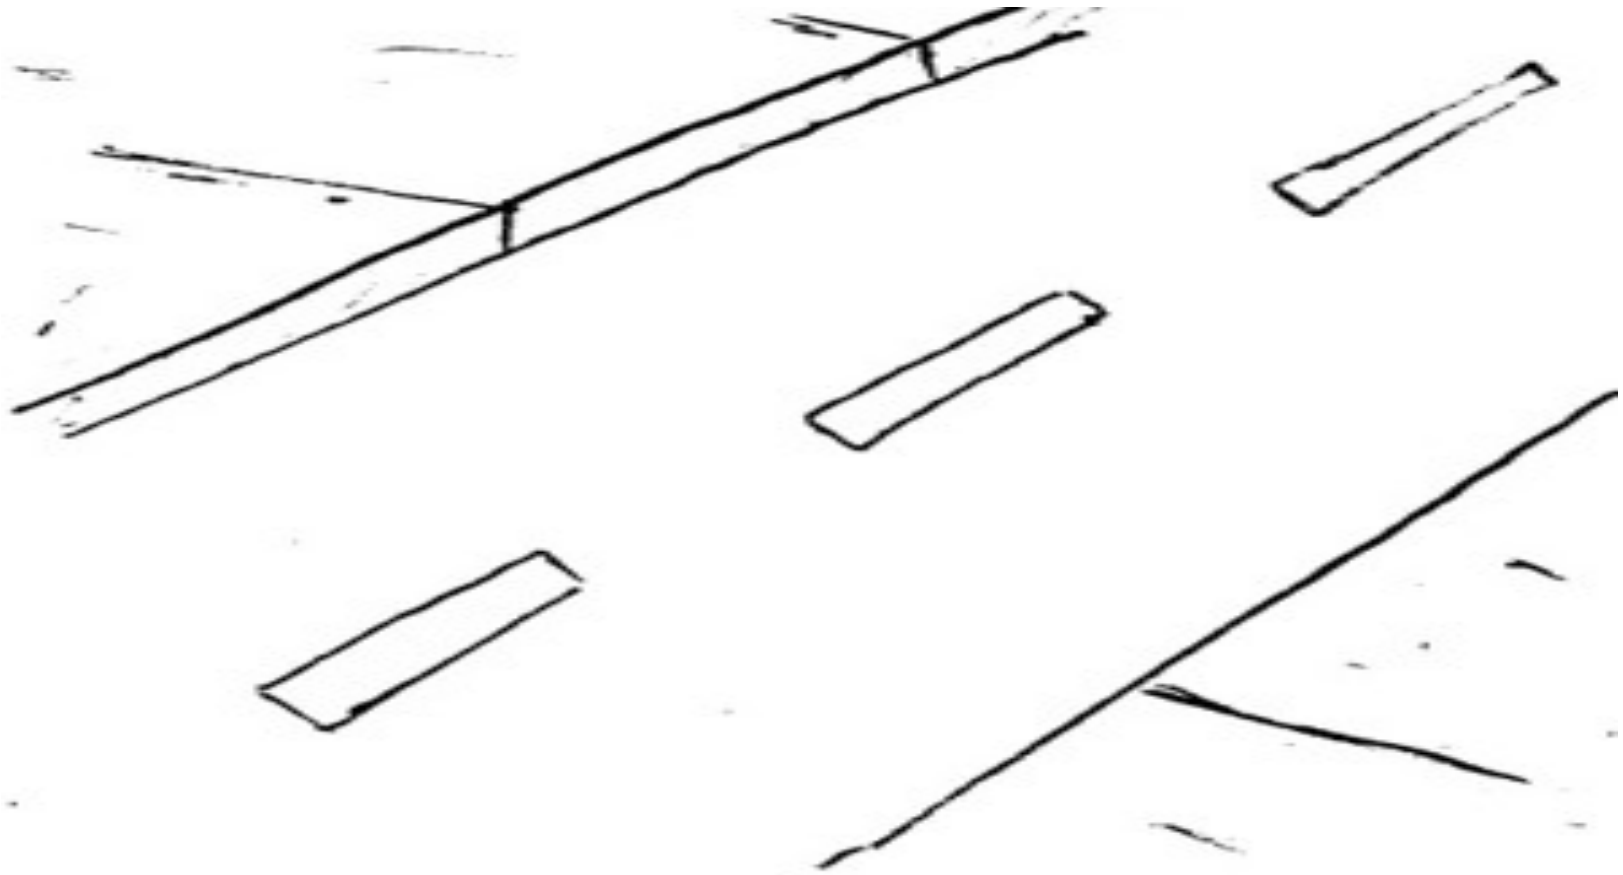

I live in _____.

our state's capital is _____.

Key: ★ = capital, ● = town

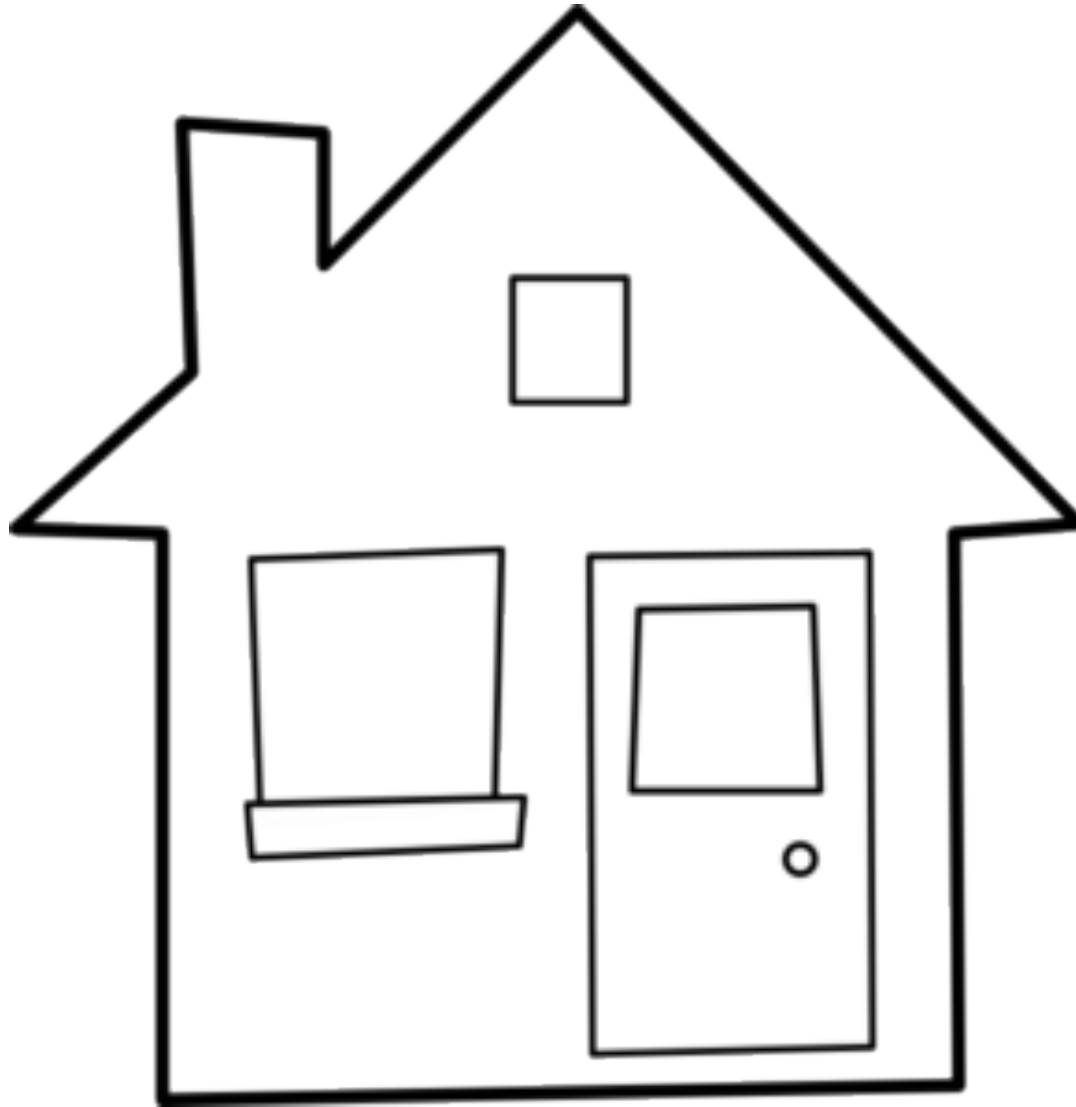

Next, I look at the map of my town and find my street.

My street name is: _____

_____.

And on my street, I find my house.

My house number is: _____.

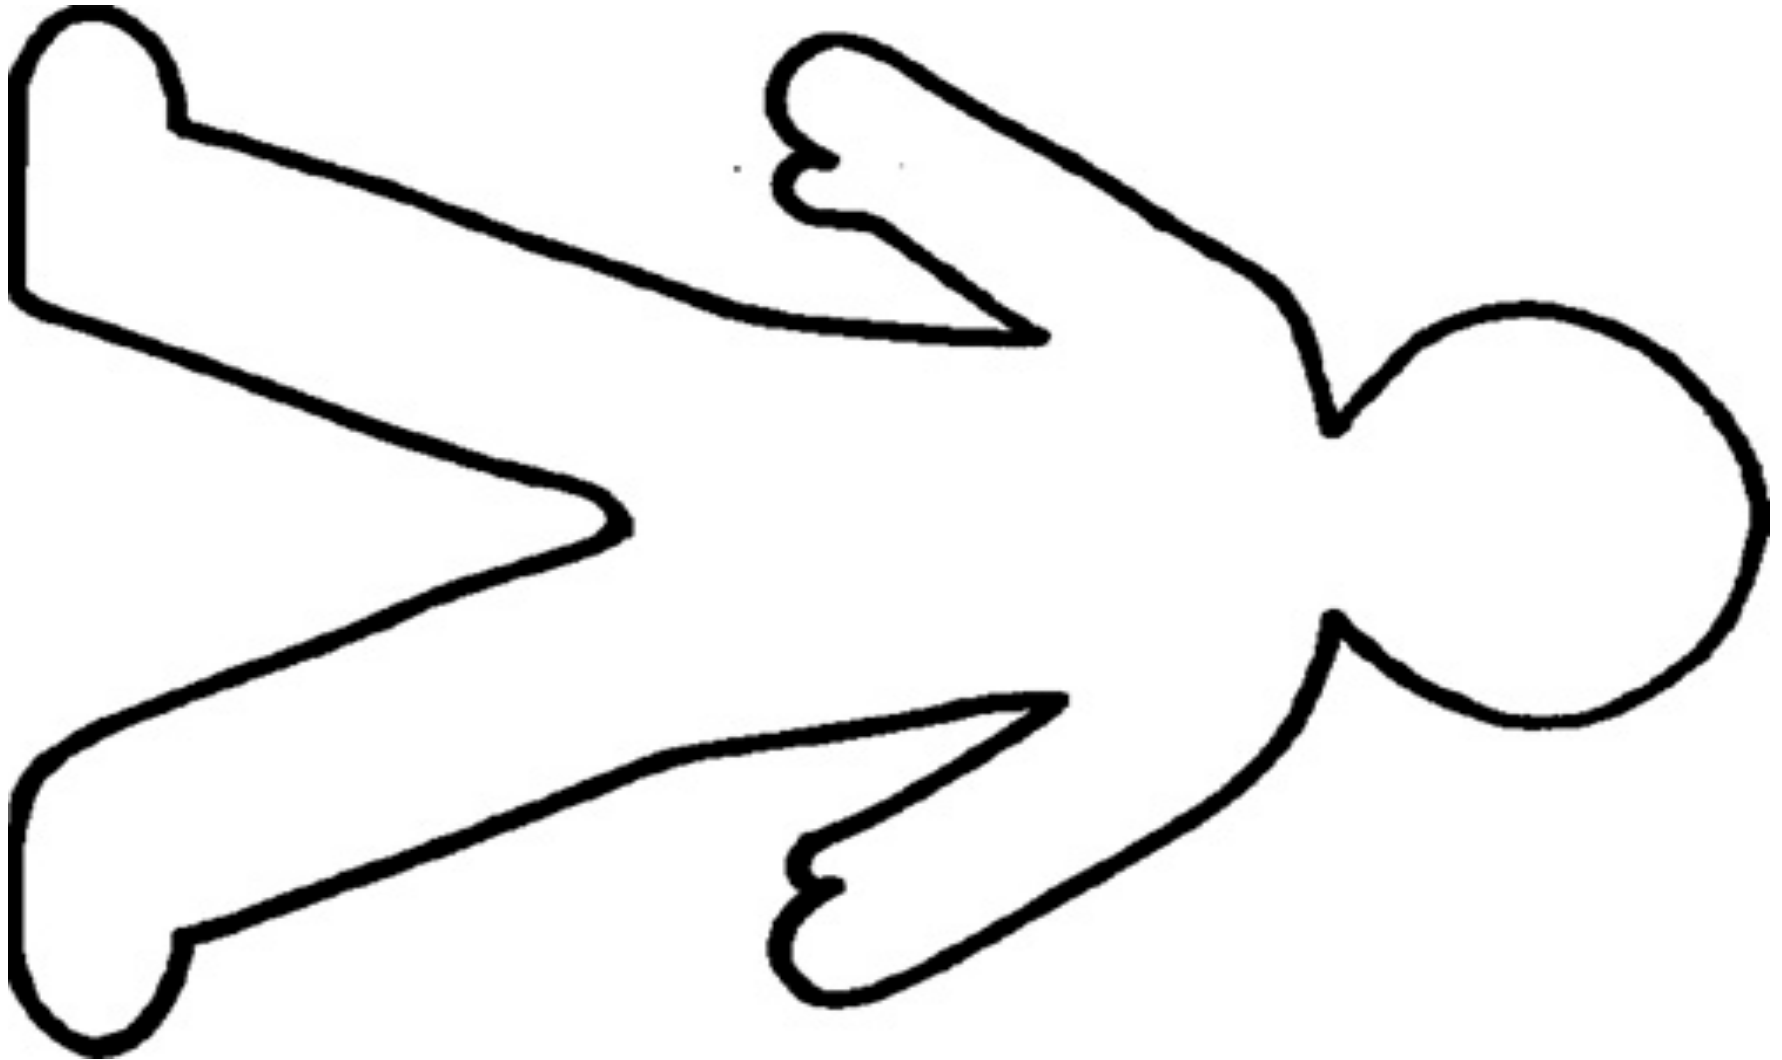

In my house, I find my room.

And in my room, I find ME!

“ME” template

Directions: Copy on construction paper for durability. Allow students to color, add clothing using scrapbook paper, yarn for hair, google eyes, etc. After illustrating their bedroom, students will glue their body on to the last page or can attach with string for maneuvering!

use the next slide as a template
for states other than Tennessee!

Then, I look at the map of my state and find
my town.

I live in _____.

our state's capital is _____.

Key: ★ = capital, ● = town
