

# ME ON A MAP

Designed by M. McGann  
<http://3rdgradetidbits.blogspot.com/>

Me - Draw a picture of you and write your name.

My Street - Write your street address and draw a picture of your house and what is around it.

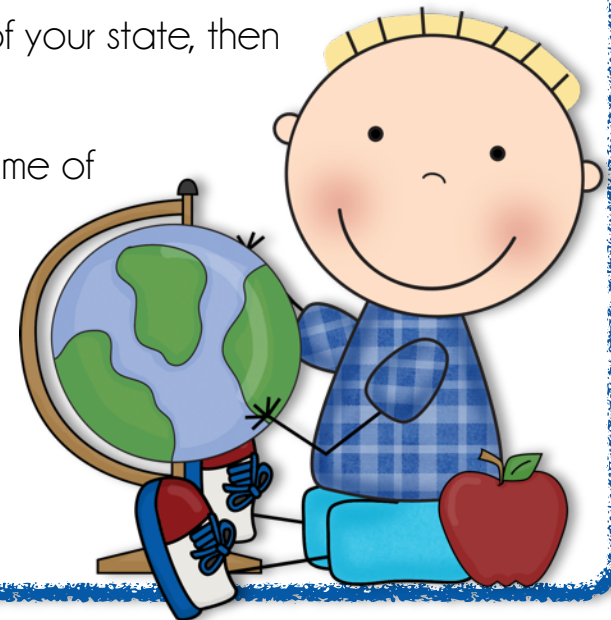

My Town - Write the name of your town and draw some of the places in your town.

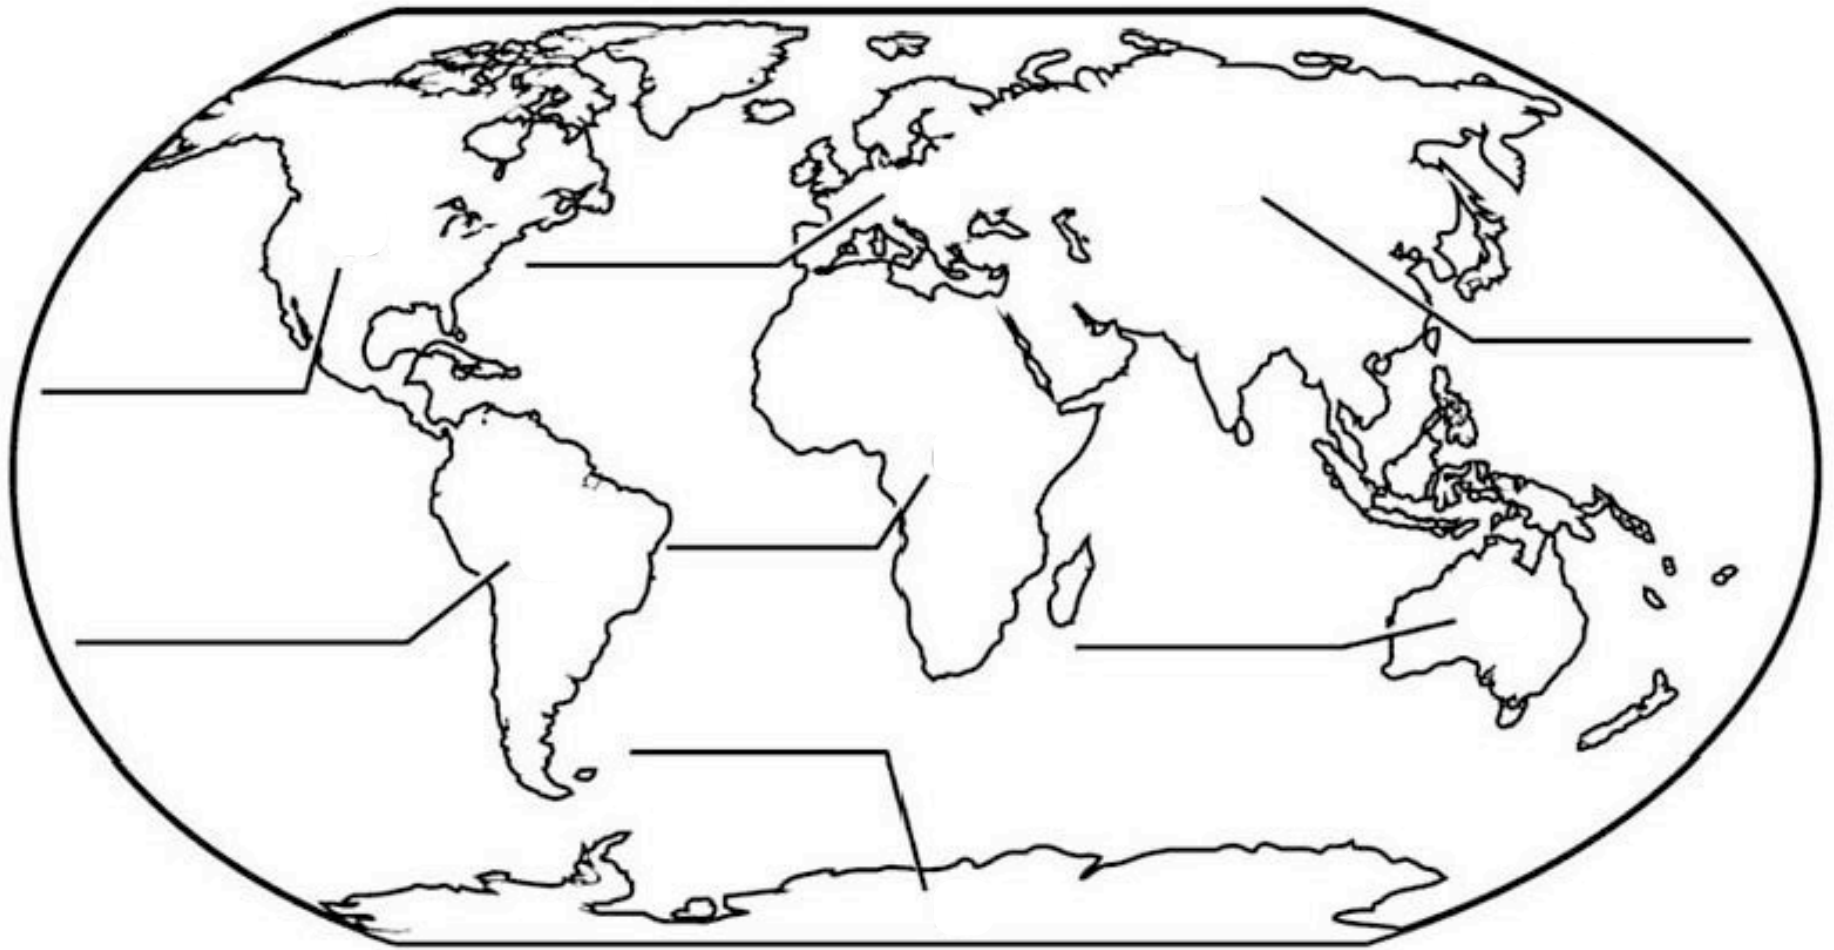

My State - Draw (or color and cut out) your state, write the name of your state, then draw some of the state symbols.

My Country - Draw (or color and cut out) your country, write the name of your country, and draw some symbols that represent your country.

My Continent - Draw and write the name of your continent, then write the names and draw flags of some of the countries in your continent.

My Planet - Draw and write the name of your planet and what you would find around it.
